

## "RESET – to a New Purpose"

### Genesis 4 – 10

In this week's reading of Genesis chapters 4 – 10, we have seen:

- Adam & Eve's first family (Cain & Abel) – chapter 4
- The Reset of family line through Seth – chapter 5
- Noah, the Ark, the flood, the new beginning – Chapters 6 – 10

Our focus will be on these two texts –

5: 22, 24 – *"Enoch walked with God"*

6: 9 – *"Noah walked with God"*

**RESET to a New Purpose *"Walking with God"* by the following Spirit-empowered Responses –**

### **1. – TURNING FROM the Wrong Direction of Living.**

Enoch turned from a 'cynical cycle of life' – i.e. - birth, life, family, death

Noah turned from a world gone sad, mad, & bad.

### **2. – TURNING TO the Lord.**

*'Walking with God'* BEGINS with a Defining Moment of Repentance.

*'Walking with God'* CONTINUES Everyday of our Lives.

### **3. – TUNING INTO God's Voice for Discernment & Direction.**

Enoch *'tuned into'* God's Voice when His first child was born – see 5: 22

Noah 'tuned into' God's Voice when God spoke to Him – see throughout chapters 7 – 9

## ARE YOU WALKING 'WITH' OR 'FROM' GOD?

See Jesus' Invitation to you - Matthew 7: 13 – 14

---

### WORKING THE WORD Challenges:

- **REFLECT** on the phrase “*Enoch & Noah Walked with God.*” – i.e. – both experienced an intimate and abiding relationship with God.  
**SHARE** (with a partner or group) when and how you began 'walking with God.' Seek for opportunities to celebrate and pray for one another.
- **REVIEW** the 3 main points of today's message outlining what is required to 'walk with God' as evidenced in Enoch and Noah's lives. **INTROSPECTION** - *Which of these 3 insights do you sense require greater attention in your life?*
- Think about and **COMMIT TO MEMORY Hebrews 11: 5, 6**. Pray for a life pleasing to the Lord by sincere faith in God.
- Continue to **READ DAILY** one chapter of Genesis with your church family (Genesis 10 – 17). Write down insights and prayer responses to the Word in a journal.
