The Gospel of Matthew –

What Changed & Compelled Matthew 2AGREE for New Followers?

If there was ever a time for believers 2AGREE for New Followers is Now! Jesus made an extraordinary promise to His followers if they agree together in Matthew 18: 19-20.

Our church family is beginning to read one chapter of the Gospel of Matthew daily to experience unity and agreement together for new followers. In today's sermon, we will explore how 'Levi, the tax-collector' was changed by Jesus to becoming 'Matthew, the evangelist,' who wrote this 1st Gospel in the New Testament.

Who is Matthew & why did he write this Gospel? In chapter 9, verses 9 – 13, he tells of his encounter with Jesus and how it changed him & compelled him to share His love with others.

WHAT DOES IT MEAN '2 AGREE FOR NEW FOLLOWERS?' The answer is demonstrated through the life of Matthew.

1. – WE ARE BEING _____ BY THE GOOD NEWS OF JESUS' LOVE.

See – Matthew 9: 9 – 13.

Matthew opened his Heart, Home, & Hands to Jesus resulting in transformation.
